Some Time Ago . . .

by Dorothy Jerse

Macksville Gazette 10/28/82

Last week the founding in 1885 and the early history of the Bethany United Church of Christ was considered in this column. More highlights of the church history provided by Marcella Kuykendall are listed below:

1913: During the devastating flood 69 families, including the family of the pastor Rev. W. O. Rogers, are housed in the church until the waters recede.

1916: The church pews are installed. A special Easter offering of $1300 clears the church of debt.

1917: Rev. A. B. Hoag is pastor. Trustees are Myrick Owens, Frank Ratcliffe, Thomas Duby, Ernest Wrightson, and Thomas James. Josiah Pedlar is Sunday School Superintendent and Treasurer.

1919: Rev. Hoag resigns by letter from Vermont after one month vacation. Rev. Benjamin G. Barker is called at a salary of $1200.

1920: The Hodger's property east of the church on Miller Avenue is purchased from Bennett for $2000. Plans are made to remodel and to add to the parsonage. Rev. Barker resigns; Rev. K. J. Morgan is called at an annual salary of $1500.

1921: Invitations are sent to Congregational churches in Terre Haute, Indianapolis, Kokomo, Marion, Franklin and the South Vigo Church in West Terre Haute to come to the ordination of Rev. Morgan on June 10. Also a furnace is placed in the parsonage and the parsonage fence is torn down and stored for kindling.

1950s: Rev. Martin S. Grant, Rev. Blaine Bender, Rev. Paul Shelton and Rev. Marvin Maris serve Bethany. The first October homecoming is held in 1956.

1962: Rev. and Mrs. Maris move away on January 2, and Rev. Alvin Ricklefs, the present pastor, is called to fill the pulpit on May 13. The number of years of his service to the congregation and the community far exceed the years served by any other pastor in the history of Bethany.

Members and friends will share in the Homecoming this Sunday, October 31, at the 10 a.m. service. The guest speaker will be Dr. Paul Gettinger and special music will be provided by the Daniel family.

1924: The parsonage is modernized at the cost of $363. Homecoming is observed on June 8. Rev. Matthew Kelly is pastor. The Bethany Brotherhood is organized with 32 members and an average attendance of 15.

1925: A new organ is purchased from W. H. Paige and Company for $133.31.

1927: A successful vacation Bible school is held in cooperation with the Methodist Church.

1928: Thanks are given to the choir for the new collection plates.

1931: Rev. Kelly is replaced by Rev. E. D. Hood of Peoria, Illinois, at a salary of $1800.

1934: Homecoming is observed in June with three preaching services, special music and a covered dish dinner and a supper.

1936: A change of pastors is negotiated between Bethany and the Temple Congregrational Church of Marion, Indiana. The present pastor Rev. Everett D. Hood is called to Marion and their Rev. Martin Lee Grant is called to be pastor at Bethany at a salary of $1200 and parsonage with one month vacation during the summer.

1939: The Bethany Girls class (forerunner of the Gleaners) is formed with Lucy Curry Kuhn as president.

1947: A special meeting is called to discuss the proposal to unite the Evangelical and Reformed Church and the Congregational Christian Churches into the United Church of Christ. The merger is approved unanimously and Bethany Congregational Church becomes Bethany United Church of Christ.

SUMMER LULL GIVES WORKERS A REST....

Very understandably, less clothing has been needed during these summer days than in colder weather. Anticipating this slack, the Eastside Benevolence Committee decided that the Summer Schedule for Benevolence Aid would be altered considerably.

The center is presently open just one day a week---TUESDAY. On that day work is supervised by MRS. ELIZABETH BOYCE.

However, calls may still be received EVERY WEEK DAY FROM 9-11AM. They will be taken by the Eastside Church secretary, MRS. JUDY GOSE, who has an extension of the Benevolence Aid telephone line (232-5589) on her desk in the church office. Calls are being filled by volunteer workers during the remainder of the summer.

WE HAVE RECEIVED quite a few calls for food during the past few weeks. These have been filled, and our food stock is quite low, but we are still prepared to meet any food needs which come in.

HOW WE RECEIVE WHAT WE HAVE ON HAND....

Those reading this who are not members of the Eastside Church may be interested to know that our clothing and food supply comes in from many, many sources. Our food supply comes primarily from members of the Eastside Church and from the 21st and Elm Church of Christ. Our clothing is received from numerous institutions in and around Terre Haute and from individuals in and out of the Eastside Church. There is no adequate way we can express our thanks to all who have made it possible to accomplish what we have done!

NEW WASHING MACHINE NOW INSTALLED....

One of our latest major expenditures was for a new (fantastic!) Whirlpool washing machine. It is really a beauty....and compliments so well the "beast" of a clothes dryer which will be installed in a few days. The "beast" was donated to us some time ago (for which we are grateful!!)....and we are really hopeful it will work! Now we are really set to do all of our work (or by far most of it) in the Benevolence Aid Center next door to the Church.

WE APPRECIATE SO MUCH THE AGENCIES....

We are truly indebted to the Terre Haute helping agencies for putting us in touch with folks in need. They have gone overboard in being of assistance to us in so many ways. Our thanks to these agencies who have given us referrals: Katherine Hamilton Mental Health Center; Vigo County Home; Emergency Referral Service; H. Ralph Johnston Youth Center; Hyte Center; Vigo Co. Health Dept.; Welfare Department; Lighthouse Mission; Red Cross; Vigo Co. School Nurse; Community Action; Salvation Army; Area Extension Foods Program.

HOW WE ARE FINANCED....

The Eastside Benevolence Aid is a work of the Eastside Church of Christ and is totally funded by it. Donations are accepted. It is interesting to note on the opposite page the total amount of money spent in the program thus far. That figure of $251.23 represents only what was spent in filling orders. Other costs borne by the Church are all utilities, fixtures, and upkeep and repair on the Benevolence Center. The 1973 Eastside Church budget for the Benevolence Aid program is $1400. (Looks like it will have to be considerably higher next year!)

Northwest Church Plans To Dedicate New Office

Seeing the need for a new congregation in the northwest section of Terre Haute, a group of citizens banded together over two years ago to organize the Northwest Church of Christ and to search for a building site, an architectural planner, and the needed financing.

The work of those citizens has now culminated with the completion of a new building located on U.S. 41 at Florida Avenue that will be dedicated on Sunday, June 8.

Church members, in a report on their progress and activities, note that that "saw the need for a new congregation in the northwest . . . whose spiritual needs were not (then) supplied by any religious body."

Because of that the new church was officially organized in January, 1973.

The first worhip service was conducted on Jan. 7, 1973, in the home of one of the members with 47 people present.

Since then services have been held in various houses and in Carpenter's Hall, 118 N. 3rd St.

A site of three and one-half acres for the new building was chosen, located in the center of a mile square in which the congregation will confine its efforts of Christian service.

The functional steel building that has been erected is 50 by 100 feet and was selected by the building committee to be constructed so that wo classroom wings and brick veneer can be added in the future.

The entire floor of the church building, including the foyer, is covered with red carpet and red upholstery covers the pews. Red velvet drapes cover the baptistry.

The new building has a seating capacity for 350 persons.

The structure was financed with nine per cent revenue bonds and the entire issue was sold within 30 days through the Beacon Bonding Company, Nashville, Tenn.

Construction for the new edifice was begun in July, 1974, and the first worship service was held there on Sunday, May 18.

"So far as is known," the church members report, "no Terre Haute area beginning with only a few families has organized and built a building and nearly doubled its membership in two years."

George F. Woodason, a teacher with the Vigo County School Corporation, is serving as minister and elder of the congregation. He is a graduate of David Lipscomb College, Nashville, Tenn., and Indiana State University.

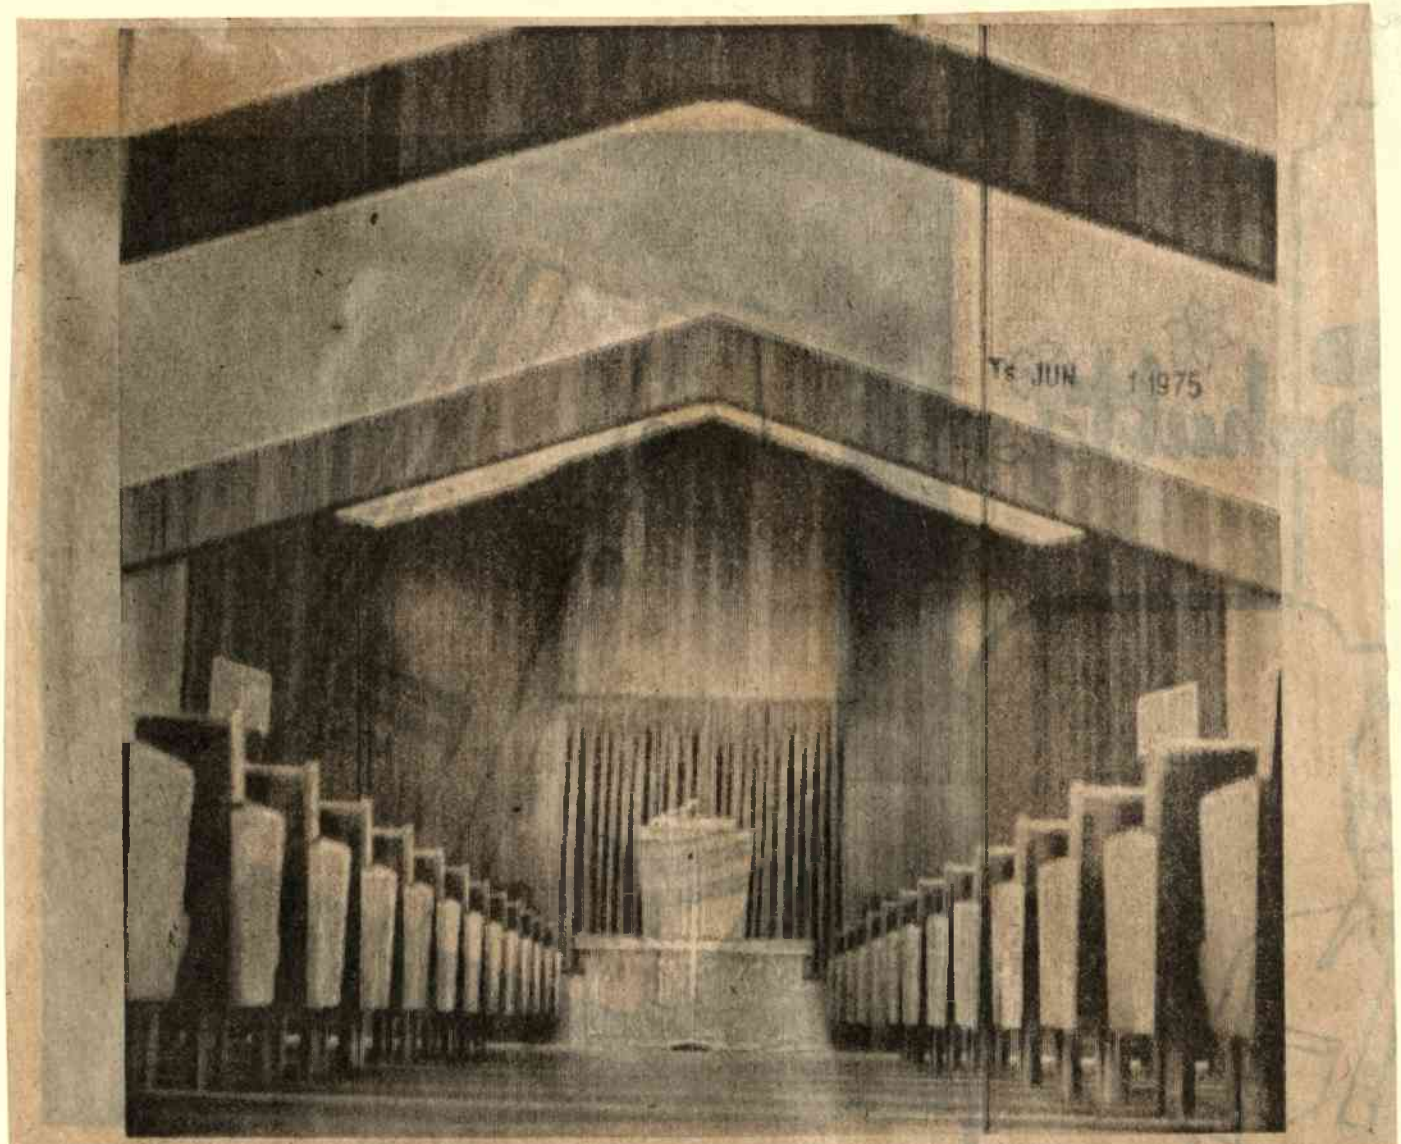
Also serving as elders are John Creedon and James H. Ringer. Deacons serving the congregation are Jerry Goff, John Haag, and Robert M. Ellis.

Sunday, June 1, was designated as "Fill the Building Day" for Bible Study at 9:30 a.m. and worship service at 10:30 a.m.

Sunday, June 8, will be the building dedication and open house with Bible Study at 9:30 a.m. and worship service again at 10:30 a.m.

The public is invited and urged to attend services on both dates.

Gospel meetings will be conducted at the church from June 8 through 13 with Bobby R. Wade, evangelist from Liberty, Mo. Sunday worship services will be at 10:30 a.m. and 6 p.m., with weekday services at 7:30 p.m.



DEDICATION SET—The newly formed Northwest Church of Christ will conduct dedication services on Sunday, June 8, at the new building located on U.S. 41 at Florida Avenue. The new church was officially organized in January, 1973, and church services were held in various houses and in the Carpenters Hall. House of Photography Photo.

Announce New Northwest Church of Christ Edifice

Ts APR 14 1974
Churches (FW)

By WAYNE PERRY
Tribune Staff Writer

For the 47 people who gathered in January, 1973, for the first sermon of what was to become the Northwest Church of Christ, the dream of a building for their group is finally becoming reality.

Bonds for the church, which will be built near the junction of U.S. 41 and Florida Ave., became available on April 7. If plans go as scheduled, construction on the building will begin in early May and the church will be completed by August.

While other sections of the city are represented by five Churches of Christ, several of the church's members on the northwest side of the city saw a need for a local congregation in their area.

During the month of December, 1972, preliminary plans were formulated and the first worship service was conducted on Jan. 7, 1973, in the home of Mr. and Mrs. Robert M. Ellis, 148 N. Fruitridge Ave.

James H. Ringer preached that first sermon. After that, meetings were conducted in the homes of other church members until the congregation thought it more feasible to meet at Carpenter's Hall, 118 N. 3rd St.

During the time that services were being conducted at the hall, a building fund was established and a search for a structure suitable for worship services was begun. It was decided, however, as an economy measure to provide more funds for a building, to accept the previous offer of Mr. and Mrs. Donald E. Sullivan, 1933 N. 10th St., to use their home as a meeting place until permanent facilities could be realized.

In July, 1973, Sullivan purchased property at the junction of U.S. 41 and Florida Ave. The property was subdivided in August, 1973, and over three acres of land was purchased by the congregation for a building site.

Building plans moved rapidly forward to the point that August of this year was set as the target date for completion of the new church building.

In matters regarding the business affairs of the church, the trustees, along with other men of the congregation, conduct regular business meetings for the purpose of decision making.

The trustees are Donald E. Sullivan, chairman; Daniel E. Wade, secretary, and Jerry L. Goff. John G. Haag serves as the church's treasurer.

Although the Northwest congregation has neither asked for nor been the recipient of regular financial support from any other congregation, $500 was donated by the Mt. Zion Church of Christ, located in an adjoining county.

On June 1, 1973, George T. Woodason Jr., was hired to serve as minister to the new congregation. Prior to joining the Northwest group, Woodason worked with congregations in Jasonville, Clay City and Brazil. He also serves as a teacher at Otter Creek Junior High School.

The steel building to be erected will measure 50 by 100 feet. The exterior of the structure will feature decorative brick trim under the windows and appropriate landscaping.

The interior will have the necessary classrooms and a worship area designed to accommodate an attendance of 300. The building will be built on a concrete slab.

Central heating and air conditioning will be installed, as well as pews, rostrum furniture, carpeting, baptistry and dressing rooms in the worship area.

Bonds have been issued in $1,000, $500, $250 and $100 denominations with the Terre Haute First National Bank serving as paying and receiving agent. A total of $95,000 of nine per cent Revenue Sinking Fund Bonds are available.

"The church has experienced spiritual and numerical growth and the members have demonstrated their faith and zeal with liberal giving," the offering circular that describes the church's bond program reports.

Ceremonies Set At St. Mark's

SEP 26 1970 Community Affairs File

Groundbreaking ceremonies for an addition at the St. Mark United Church of Christ, 745 S. Fruitridge Ave., are to be next Sunday.

The groundbreaking ceremonies will be incorporated into the regular World Communion Service at 10:30 a.m. Sunday.

The new addition to the church will provide a fellowship hall, kitchen, nursery and Sunday School rooms.

Dr, Roy Snyder, a Indiana-Kentucky Conference minister from Indianapolis, will deliver the dedication message at the groundbreaking ceremonies.

Also participating in the ceremonies and services will be the Rev. Kenneth Hayden, pastor of the St. Mark Church of Christ.

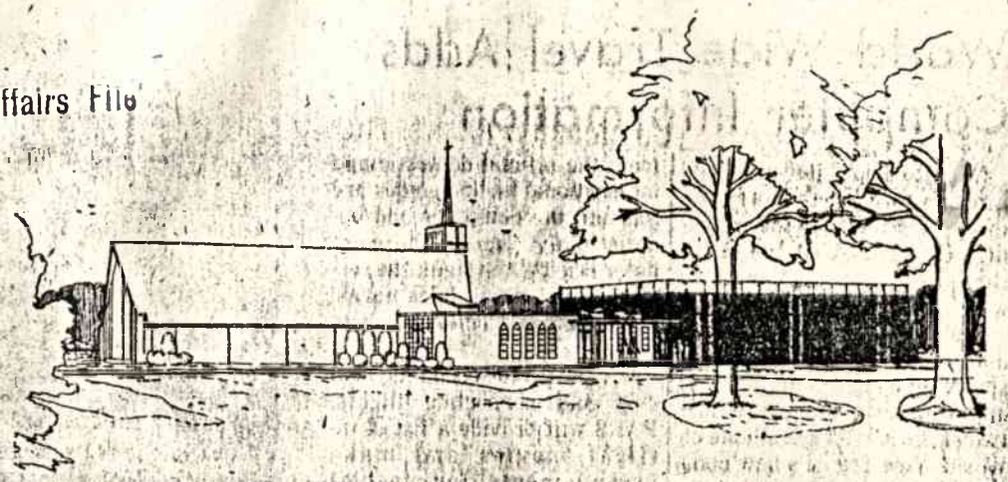
Construction is expected to be started on the new addition the week following the groundbreaking with completion anticipated in six months.

The addition, at a cost of $200,000, is to be built to the west and north of the existing building.

The original church building was constructed in 1959 and a first addition was built in 1969.

The general contractor for the new addition is the Sterchi Construction Company with Ernie's Electrical Company as electrical contractors and Freitag-Weinhardt Inc. as mechanical contractors.

Maurice Burke is president of the St. Mark Church of Christ congregation. Jerry Hile is the chairman of the financial committee and Paul Kelty is chairman of the building committee.



CHURCH ADDITION — The St. Mark United Church of Christ, 725 S. Fruitridge Ave., will conduct groundbreaking ceremonies Oct. 3 for the new addition of the church. Church Groups to Work With Mandaree Indians

GH JUN 29 1975 Community Affairs File

By KAYE HOOLE
Tribune Staff Writer

Heading westward, all the way to the Mandaree Indian Reservation in North Dakota, are two church youth groups venturing in search of an in depth look at a very old civilization.

Creating a group of 41, the St. Mark United Church of Christ will sponsor 24 and the St. Peter United Church of Christ in South Bend will send 17 young people across the nation for almost two weeks.

They aren't taking a vacation They are traveling to the reservation as a part of a work-study type program.

The location for Out Reach, the program's theme, is determined in conjunction with the church's central office. There is a mission connected with the church near the Mandaree Indian Reservation.

While on the reservation site, the group will conduct a Bible School for young children, work on various construction type projects and experience many adventures, a by-product of living in the raw, they say.

It was noted that definite plans are never outlined for a trip before arriving on the work location. Those organizing the activities choose to wait and investigate the areas facilities, resources and also study age groups of the people before detailing activities.

Those making the trip feel that rather than just aiding the Indian community, they will be expanding their own knowledge of different societies and will cultivate their opinions of people living in other cultures.

Out Reach outlines the following objectives: to share fatih on a personal basis with the American Indian; to respond to Christ's call to serve others and grow in His love; to observe personally another culture or life-style that would better enable man to understand his brother; to visit the Gereral Synod, a central United Church of Christ office; to see the West and acquire a new knowledge of the world; and to share fun, fellowship and Christian love.

According to one member of the group, Judy Hammerling, "We go out on these trips to learn, not to satisfy some do-gooder need we might have."

Kris Hayden, son of the St. Marks pastor, Rev. Ken Hayden, noted, "We hope that through some of the experiences we will grow to understand ourselves better."

Describing personal benefits received by those making the trip, Beth Monroe commented, "The trip allows us an opportunity to find out things about ourselves. Because we are out-of-doors, we have to become independent. You find out what things you can and cannot handle."

Beth continued, "For just a little while, we leave our own little worlds and enter somebody elses — one that is foreign to us."

Kris emphasized, "This trip, which we are all really looking forward to, is a real outbranching. I mean you meet people you wouldn't ordinarily come in contact with. It's a unique chance to associate."

Keith Osmon looking forword to his first Out Reach adventure, commented, "I think we will find a difference in the people — they won't be what's expected. I think our opinions will be much different of the reservation when we return."

During the summer months last year, the combined youth groups traveled to Shannondale in the Ozark Mountains. A similar type program was initiated. A large part of the group's responsibilities there, involved minor construction jobs, communtiy improvement in general, and, of course, the accenuated Bible program.

Beth, in mentioning some of the more personal and lasting benefits of the program, commented, 'One thing that was so great about the trip is that you get so close to the other kids in the group. It wasn't just this way while we were out of town either, the group has remained close — the closeness hasn't died. In fact, the kids at the church here in Terre Haute and those in South Bend are a tight group also — we see each other a lot. That's good."

Keith added, "There's a lot of togetherness. Sharing among group members is stressed."

According to the group, the adults in the church provided the teens with a great deal of support. Kris said, "We did all kinds of things to raise money — car washes, caring for lawns, we worked for people, held bake sales — you name it, we did it."

Keith continued. "We even sold recipe books. It was neat — we collected favorite recipes from some of the ladies in the church, made them into a book and sold it back to the members."

Beth added, "That's a great group sponsoring us —I mean to buy back their own recipes — wow!"

Those making the trip westward with an "adventure or bust" attitude from Terre Haute are Julie Niemeyer, Andrea Kohal, Judy Hammerling, Beth Monroe, Barbara Niemeyer, Karen Bennett, Denise Fischer, Jolina Wild, Susie Showalter, Linda Harting, Sarah Hunter, Keith Osman, David Wild, Lee Monroe and Danny Raubick.

Also, Kris Hayden, Marc Hayden, David Llewellyn, Jim Cottom, Tom Byrne, Jay Copra, Mike Black, Steve Totten, Rev. and Mrs. Ken Hayden, the pastor and his wife, and Jerry Monroe, youth leader.

Scouts Deed Tract of Land To Church

Earl Brandt, Wabash Valley Boy Scout executive, said Friday the scount council has deeded a 25-acre tract of land to the Southside Church of Christ, 4117 S. 7th St.

The land, Brandt said, was part of some 300 acres of land given the Boy Scouts by the Peabody Coal Company in May of 1970.

The tract of land is located on the Bono Road across from Fowler park in southern Vigo County.

At the time the coal company donated the land to the Boy Scouts, they did so with the stipulation that a 52-acre tract be given to the church. Subsequently, problems arose and the Boy Scouts donated the additional 25-acre plot of land to the church.

The church in return has leased the 77-acre tract of land to the Wabash Valley Christian Youth, Inc., for 99 years.

Burt Lammey, vice president director and general business manager of the youth association, said the camp will open this summer for activities.

Lammney said the association has been building facilities on the ground. The facilities include a 100 by 50 foot building three cabins and a shower house.

The facility has been named "Camp Wabashi," according to Lammey.

Most of the labor at the camp was donated Lammey added. Lammey said that work at the site is continuing on the weekends in order to be ready for the summer activities.

This History of Shilo Church is the property of My son Ralph
He got it from the author Mr Garret Miller an
acquaintence of his, but whom it was not my
privilege to meet as he was too young to be in
Shilo Church the short time that we lived close and
went there a period of about two years, 1905-1907
In that time I came to know about everyone
who ordinarly attended services on Sunday morning
Quite a few were decendants Eli my grandfather
who passed away about 1890
My father Septimus and mother anna mason
woodward went into the Church at this time
neither had ever belonged to any congregation though
mothers folks were devout Methodists so mother
might have been baptized when a baby. If so I never
heard of it. My mother passed away just before we
left the Shilo community and Dad went to other
churches near our home near Carlisle Ind. He took
us children to church and three of five went into the
church of Christ at Paxton Ind. I did not become
affiliated with any church until after I was
married to Lillie Griffith She was a member of
the Methodist Church and after a time I joined
and am still a member of the Carlisle A M E church
This History of Shilo Church I would say is
of no great interest to folks who never went to
Shilo church, but it has many pleasant memories

to me. I think of a protracted meeting Bro. Frank Stover preaching. It was scheduled for a week, but many young men and women kept joining so the meeting went on another week Every few days a baptising was conducted at a large pond a mile or more distant. The temperature was not far above freezing and I wondered how Bro. Stiver stood it

At the regular Sunday service here is some of the ones comes to mind Uncle John M Pirtle Mrs Etta Lund. Frank and Linder Pirtle, also the Martin Tatbee Booker family the Shepherds Drivers and Wolfes. Might mention here a man name of Land who brought three little girls, Dont know if they were his or if they belonged to his second wife. He was divorced from his first wife and consequently was not highly regarded by others in the church, but he seemed to be pretty well educated and frequently made some very good talks

Mr Miller named Eli Woodward among the founders of Shilo this about the time Eli came to Indiana however one or two of his brothers Evan, Levi founder. on page 12 aunt Ella anderson said Eli was a founder Eli did not come to Indiana until about 1840 on page 11 it says Shilo number one was rested between 1850 and 1854, if so, Eli could have been one of the founders

FOREWORD:

Having an affectionate compassion, and an inherited paternal love for the Shiloh Church of Christ and its many members, both living and deceased, I contend that it is both proper and fitting to record the deeds and events of this faithful congregation.

Only eternity has recorded the many good deeds, or the sorrow and heartaches that the faithful and serious members endured. Therefore, lest we, the living, forget, and that their memorial be perpetuated for an ensample and enlightenment to the generations that follow, this is recounted.

Garrett H. Miller

June 1960

For we know if our earthly house of this tabernacle were dissolved, we have a building of God, a house not made with hands, eternal in the Heavens.

REMINISCENCES REGARDING SHILOH CHURCH OF CHRIST
Sullivan County, Indiana

By Stanford Chambers

My earliest attendance and experiences in church services were at Shiloh Church of Christ, Sullivan County, Indiana. My parents were members here at the time of my earliest recollections, also my grandparents on both sides. Besides these were many relatives. Here it was in 1894 that the gospel of Christ reached me, under the preaching of Bro. Elias G. Denny, when I yielded obedience to the will of the Savior and was buried with Him in baptism. At the same time, Tacy Jane Blakeman, now my wife, was also baptized, with a few others.

I remember quite well services held in the church building which stood at or near the cross roads near two miles east of the present building. It was a frame building with the entrance doors at the south end. I remember a "basket dinner" held there, the preacher being a Brother Quillen, then at or near Dugger. I remember that the song book then being used was "The Harp of Zion" of which I retain a copy. One song sung in the afternoon services was "Home of the Blest." Another was "Jesus, Savior, Pilot Me".

That frame building soon after that event burned to the ground. A distant relative of my mother's was suspicioned as having set it on fire. At that time Shiloh was not without her troubles.

Before the church was housed in said frame building, it has been located in a building at the jog of the road north of the place now owned by Floyd Chambers, south and slightly west of where the present building now stands. I remember my mother speak of that first building, and it seems to me it was a log building. I recall being on the spot and seeing some brickbats and other signs that a building had once stood there. I have a slight impression that that building burned, but the impression may have no foundation in fact.

Following the burning of the frame building, services were held in the Pirtle schoolhouse, which was located on the opposite side of the road from where Floyd Chambers now lives. Uncle John Pirtle then lived there. At a morning service which I attended there with my mother, one of the two deacons, Brother Aaron Holder or Brother Frank Shepherd, father of Ed, waited on my Aunt Rachel Jane Pirtle and from some cause the dup was dropped into the lap of my Aunt Rachel Jane.

I was six years of age when the large brick building was constructed - on the foundation of which the present frame building stands. On entering the new brick house, the church changed song books, adopting "The New Christian Hymn and Tune Book". The old "Harp of Zion" was used now and then for a short while. Uncle John Pirtle was the song leader most often, though Bro. Holder often led, and sometimes Uncle Jacob Booker.

REMINISCENSES CONT. (S. Chambers)

Preachers frequently heard were Cauble, Quillen, Anderson Ward, Uncle Alex Engle, Uncle Ben Sherman, I. C. Stone, Uncle Johnny Boles, Uncle Tommy Wolfe, father of John Wolfe, the father of a number of boys, stepbrothers of Pearl and brother John (?).

Who the preacher was sho started the congregation originally, I never heard, but I surmise that he may have been "Uncle" Joe Wolfe of Sullivan, who held the Sullivan Church in the "old paths" as long as he lived, but which, soon after his death, introduced the organ into its services. Later on, at Shiloh, came Wm. Dugger, "Doc" McKinney, E. G. Denny who ministered there perhaps longer than any other one man. Then came others: E. B. Stivers, Joe Miller, "Dick" Shaw and others. Yes, J. W. Brown was the preacher for at least a year. I was then in my later teens. The regular preacher at the time the brick building was entered into was Anderson Ward. About that time a bolt of lightning struck the comb of the building at the east end and ran down the wall just behind the pulpit. I remember my mother saying, "What if Brother Ward had been in the pulpit at the time!" I think it did not occur on Sunday.

The men serving as overseers of the congregation at the time of my earliest recollec tions were my Grandfather Eli Woodward and Bro. "Eckie" Driver. When my grandfather died, 1888, Bro. Driver said, "We may as well lock Shiloh up!" How good that he was mistaken. Afterward Uncle John Pirtle was appointed, also Francis Walters (son of Sampson Walters). His brother John was made a deacon. LatterJohn Driver was appointed elder, and after that I am without information.

For in the meantime a number of us five or more miles (a long distance in those days, especially in time of spring thaws) succeeded in getting some gospel meetings held at the Deckard school house, when a number were baptized, enough to form a right good-sized congregation, which was the beginning of what is now the Berea church. To the east of Shiloh, some Shiloh members, including my Uncle John Luther Woodward, Woodford Neal and some others, got some gospel meetings held at the Shields school house and a congregation was formed but which went down in the course of a few years. I did some of my early preaching there. Some of those brethren were afterwards instrumental in getting meetings started at the Atlas school house resulting in the establishing of the Atlas Church. Some other former members of Shiloh were a help in starting the Atlas Work. Atlas in turn was instrumental in starting the work at Linton, where we held several tent meetings which account for the present congregation in West Linton. Some Shiloh members then living in Linton became charter members of this Linton congregation.

REMINISCENCES CONT. (S. Chambers)

Growing out of the Atlas work came efforts at the Ellis school house in which we succeeded in starting the Ellis congregation. The Atlas mines played out and it became only a ghost town, and t the congregation went down. But it had to its credit both the Linton and the Ellis work, where its own members then found church homes so that their faithfulness and their labors proved not to have been in vain. In 1907, I went South, locating in New Orleans, from which point as a radiating center, we preached the gospel in a wide territory of destitute fields. The home-mission work carried on from the 7th and Camp Streets congregation in N. O. has about 30 congregations in South Louisiana to its credit. This, of course, is only distantly related to Shiloh.

Personnel coming to mind: Uncle Sampson Walters and wife, parents of Coatney (Elmer's father) John, Francis and "Sampy". "Uncle Jimmy Pirtle, and a whole tribe of Pirtles, the Woodward tribe, Leander, Geo. Wesley, besides my grandfather's connections, the Driver connections, the Millers, the Bookers, the Wolfes, the Bedwells, the Shepherds, the Holders, the Herndons, the Robertsons, other Walters families, Cross, Figg, Blake, Lund, Chambers, Carrico, Land, Gilmore, Willis, Gadburys, Harris, Walls, Shipmans, Bedwells, Lassel, Moore, "Guv." Smiths, Willingtons, other Smiths, Burges, and many others that I'll later be remembering. How many of them are waiting and watching for the rest in the grand family reunion to be held when our Lord returns for His own!

No, I'm not living in the past; our interests are all tied to the future, but I would not take anything for my memory, and I am not displeased at this occasion your letter affords me for these pleasant memories and reminiscences.

I'll be interested in what you are able to collate and put together the historic sketch of Shiloh, which will be good reading for those who come after you if our Lord should tarry.

In "That blessed hope",

S. C.

- SHILOH CHURCH OF CHRIST -

The Pioneer Meeting House:

Many times the pioneer Meeting house was used for a Community counsel center, school house and house of civil law, besides being the monument of faith, spiritual and moral guidance.

Every Christian desires to stand complete in the whole will of God. God has but one people on the earth. He has given to them but one Book, and therein exhorts and demands them to be one family, a union as it should be, a union of God's people on that one Book.

The Pilgrim Fathers - Where are they?
The waves that brought them o'er
Still roll in the bay, and throw their spray
As they break along the shore:
Still roll in the bay, as they rolled that day,
When the Mayflower moored below,
When the sea around was black with storms,
And white the shore with snow.

The Pilgrim spirit has not fled:
It walks in moon's broad light;
And it watches the bed of the glorious dead,
With the holy stars by night.
It watches the bed of the brave who have bled,
And shall guard the ice bound shore,
Till the waves of the bay, where the Mayflower lay,
Shall foam and freeze no more.

- Pierpoint

Appendage:

To those who are interested, a great amount of time in research has been consumed, and many persons were contacted in my effort to compile this record. No material has been used except that which was proven by two or more witnesses.

In attempting to record the history of the Shiloh Church of Christ, there is very little material to use except the hallowed memories of those sturdy Christian pioneers whom God has called to their rest in the grave.

The early settlers of Sullivan County, Indiana, showed much fortitude, by their endurance of great suffering and hardships in conquering the wilderness, and establishing a Christian community, federate in a nation of God-fearing men and women.

A great spirit of endurance was exhibited by the people of the early Shiloh Church of Christ, in their persistence to carry on. In their trials and tribulations, three meeting houses were destroyed by fire in a period of about twenty years.

Now he that hath wrought us for the selfsame thing is God, who hath given unto us the earnest of the spirit.

2nd Cor. 5:5

- SHILOH CHURCH OF CHRIST -

The first Shiloh meeting house;

The first Shiloh meeting house as was described by Uncle Henry Bedwell, who lived in the Shiloh community and was a member of the Church of Christ:

SHILOH CHURCH HAS BEEN REBUILT FIVE TIMES SINCE 1854 AND HAS BEEN CONSUMED BY FIRE THREE TIMES

Shiloh No. I was built between 1850 and 1854 and was erected on what was known at that time as the Philip Neeley place. This church was organized by the Pirtles, Wolfes, Smiths, Woodwards, Shipmans, Osborns, and Drivers. Uncle Joe Wilson was among the first to preach from the pulpit, the first services being held before the floor was laid, the people using the sleepers for seats. This building was built from logs cut from the surrounding woods and was destroyed by fire about 1864.

Shiloh No. II was built in the year 1865 and was erected by J.W. Wolfard and W. N. Linderman. Mr. Wolfard is still living. This was a frame building and was built on the same ground as No. I and was destroyed by fire about 1869 or 1870. Among the preachers who preached in this building were: Anderson Ward, George Pirtle, Thomas Wolfe, Ben. Sherman, John Boles, and Jos. Wolfe.

Shiloh No.III was built about the year 1872, the name of the contractor being unknown. This building was erected about one half mile east of where the present building stands. This also was a frame building and was destroyed by fire in April 1882.

Shiloh No. IV was built in the fall of 1882 and was built on the same ground as the present building is on. The contractor for this structure was Bill Miller. This was a brick building and the brick used in its construction was made at Pleasantville, Indiana. Among the preachers were: Elias Denny, Johnny Boles, E. B. May, E. C. Richardson, Thomas Wolfe, Frank Stivers, and Dave Squires. This building was dismantled in 1921. The present frame building was built in September and October of 1921. The building committee was composed of the following: Ben Figg, E. L. Pirtle, John T. Booker, Jim Robertson and Henry Miller. J. L. Pirtle was contractor and builder of this church. Working on this structure were: Ira Abramsand Dick Abrams, brick masons. Others were: J. L. Pirtle, Opal Pirtle, Franklin Charley, John Booker, Jim Robertson, Claud Shake and Joe Bell.

The above history of the Shiloh Church was furnished by Uncle Henry Bedwell. In the corner stone which will be placed there, this history of the Shiloh Church will be recorded. (The above is a copy of a newspaper clipping found in the belongings of J. L. Pirtle.)

The founding date of the first Shiloh meeting house and the type of building of the second meeting house as described by Uncle Henry Bedwell are not in harmony with other records.

and information given by persons now living, whose relatives were active members in the old Shiloh Church.

Sister Ellen (Woodward) Anderson, who is ninety years old in 1960, and whose father, Eli Woodward, was amongst the founders of the first church, and served as an elder for many years, remembers hearing talk of the first log church that stood in the corner of a field on the Jacob Pirtle farm. Also, Thomas Robertson, a present elder of Shiloh and the son of Robert Robertson, remembers the older people telling of the first church being on the Pirtle farm, about three-quarters of a mile south west of the present church. Bro. Jesse G. Moore left a sketch describing the first Shiloh Church where his pioneer father and grandfather worshipped. Also, Miss Leola Jones, the niece of Aunt Jane Pirtle, and a member of the Sullivan Daily News staff, remembers her Aunt Jane and Uncle John K. Pirtle telling of the pioneer log church which stood on his father's farm.

The Shiloh neighborhood was settled between 1816 and 1837, and there is no doubt that these pioneer settlers erected a building in which to worship and possibly to use as a community center before 1850, when the first land was purchased from Wm. Jones for a Christian Church building.

(Jesse G. Moore's sketch of the first Shiloh Church congregation)

The Shiloh Church of Christ was organized about the year 1840, in Jefferson Township, Sullivan County, Indiana. The first meeting house was located three-quarters of a mile southwest of the present location. The house was built of logs with boards for a roof. Some of the preachers of the congregation were Joseph Wolfe, Joseph Wilson, George Pirtle and Anderson Ward Some of the members of the congregation were Robert Moore and wife, James Shipman and wife, Jacob Pirtle and wife, Edwin Driver and wife, Daniel Alsman, George Pirtle, William Smith, the Osborn and Gott families. (This sketch is in possession of Thomas V. Robertson, an elder of the present Shiloh Church of Christ.)

Floyd Chambers, the present owner of the land where the first Shiloh Church was located, can remember his father, Frank Chambers talking about the old Shiloh log church and describing the place where it stood. This is the same land that was purchased from Congress by the pioneer settlers, Jacob Pirtle, Thomas Pirtle, and John T. Jackson, whose wife Mary was a sister to Jacob Pirtle. It is alleged that this church building was destroyed by fire and was replaced by another building in 1850 or 51

(It was in the northeast corner of this forty (40) acres that the first Shiloh Church stood.)

The second Shiloh Meeting House:

The second Shiloh meeting house was constructed of logs in the year 1850 or 1851. It was built about one-quarter of a mile north of the fist meeting house on the William Jones farm. This building was destroyed by fire about 1870.

Some of the families who worshipped in the second meeting house were the George Pirtles, John K. Pirtles, Carroll and Jacob Bookers, Eli Woodwards, William Smiths, Daniel Alsmans, William Moores, Levi and Haven Woodwards, Elias Moores, James Shipmans, Edwin Drivers, James E. Drivers, Philip Neeleys, Mack Alsmans, James Masons, William Pitchers, the Osborns, George Smiths, the Ferees, Francis Shepherds, Luke and Francis Walters, John Chambers, John Wolfes, John and Nicholas Shipmans and others

Some of the ministers who preached in Shiloh #2 were Joseph Wolfe, [redacted], George Pirtle, Benjamin Sherman, Anderson Ward, John Boles, A. P. Law, James L. Griffin and others All these took the Bible as their only creed or book of discipline, all believing in the divinity of Christ and Bible, rejecting all sectarian tenets and names for the church and its members. speaking where the Bible speaks, and remaining silent where it is silent.

There is no record of the burning of the second Shiloh meeting house, however it is stated by older people that it was struck by lightning. There is evidence in the ground where this building stood, in the southwest corner of a field on the Earnest Willis farm, one-half mile wouthwest of the present church house and at the south and east turns of the county road.

- SHILOH CHURCH OF CHRIST -

Innovations entering into the early day Church:

About 1868, innovations began to creep into the Christian or Disciples of Christ congregations in the midwestern states, having started in the eastern states and European countries in the early eighteen hundreds, such caused much confusion and the splitting of many congregations. These were the introduction of mechanical music, organized missionary societies, organized Sunday Schools, organized pastorates, organized Bible colleges, or human institutions doing the work of the church, and worldly methods of obtaining church contributions. All these were severely condemned by the sturdy elders and gospel ministers, and were contrary to the established teachings of the Apostles of the early Church of the New Testament, were also contrary to the principle which the men of the Restoration had established by the slogan, "We speak where the Bible speaks, and where the Bible is silent, we are silent."

The Third Shiloh Meeting House:

The third Shiloh meeting house was of frame construction, and was erected in 1874 and 1875 on the Tarwater farm, three-quarters of a mile east of the present church building. It had two doors in its front end and faced a T-road to the south. The dedication sermon was delivered February 2, 1875, by C. C. Parker.

Note: A record in the possession of Thomas V. Robertson.
On February 2, 1875, the church was set in order by Brother C. C. Parker, an evangelist of the Church of Christ, at 4:00 P.M.

Sullivan County Records, Recorder's Office, Book 37, Page 561.
This indenture witnesseth: that William Tarwater and Fredrick Tarwater of Sullivan County, state of Indiana, convey and warrant to the trustees for a meeting house Christian Church, Eli Woodward, Levi Woodward and Joseph Smith, trustees, of Sullivan County, in the State of Indiana, for the sum of twenty (20) dollars, the following real estate, in Sullivan County, in the State of Indiana. To wit: of the west half of the south west quarter of the northwest quarter in Section twenty-three (23) township seven (7) N. range eight (8) west containing twenty (20) acres and one acre off the twenty at the southwest corner.

Before me, Richard Davidson, a Justice of the Peace, in and for said county, this 19th day of February, 1874. Fredrick Tarwater and William Tarwater.

Richard Davidson, J.P. (Seal)

The elders who led this congregation were James E. Driver and Eli Woodward.

New families joining the congregation in the third Shiloh meeting house were the Aaron Holders, John Walters, Tarwaters, James R. Robertsons, Leander Woodwards, William Millers and John W. Woodwards.

Ministers of the gospel who worked in this congregation were J. C. Parker, Brother Williams, William Elmore, John Boles, P. C. Cauble, Brother Price, David Engle and others.

Ironic as it may appear, the third Shiloh meeting house was destroyed by fire in the month of April, 1882, Prior to the building's destruction, disciplinary action had been taken with a certain member. Factionalism then arose and a few members withdrew from the regular assembly, and were meeting at a separate hour to the regular congregation.

After the fire, it was ascertained that the building had been purposely burned. A certain person's pocket knife was found where shavings had been cut to start the fire. The Bible had been removed and placed away from the building where it would not burn. Also, a man of questionable character was tracked by his boot print in the soft ground. James Pirtle had watched this man's boot and knew the print that it would make in the soft soil. A short while after the church building was burned this man moved out of the community.

It is evident that the people did not intend to live without a place to worship, and made plans to rebuild by acquiring the same site where their meeting house burned. However, it was decided, after waiting a few months and studying the matter more, not to rebuild in the same location, and thus to avoid further dissension.

The fourth Shiloh meeting house:

With all the misfortune and grievances that could befall a congregation, the steadfastness of the Christian people of Shiloh was proven by their determination to continue in the work of their Lord and Master, Jesus Christ.

January 1, 1883, a group of Christian members of Shiloh assembled to discuss the matter of another church house. Some members were disheartened and wished not to continue the congregation. To their notion, Brother William Miller gave an answer. "Brethren, we shall have a new meeting house, a place to worship, if only two or three of us stay together". Seeing this determination, the members began to plan for a new house.

Trustees were elected for the new Shiloh Church, namely; Aaron Holder, James R.Robertson,Eli Woodward, John J.Wolfe, John K. Pirtle and William Miller. Also a building committee of ten men was chosen. Serving on this committee were John K. Pirtle, Isaac B. Moore, James E. Driver, Eli Woodward, Francis Shepherd, Aaron Holder, John E. Driver, John Wolf, J. R. Robertson, and William Miller. Appointed Building Fund Treasurer -Wm. Miller.

Four hundred dollars was borrowed from William Shafer on a prommisary note, this note was signed by the several members of the building committee. Also, the building committee made the first building fund donation.

- SHILOH CHURCH OF CHRIST -

From 1884, until 1921, the Shiloh brick meeting house stood as a symbol of faith and spiritual light to its surrounding community. The congregation under the elderships of John K. Pirtle, Eli Woodward, James E. Driver, Aaron Holder, William F. Pirtle, John E. Driver and Thomas V. Robertson, prospered and grew. Many spirited protracted meetings were held, with often times a greater attendance than the building seating capacity. Minister E. G. Denny of Farmersburg, Indiana, was the principal gospel speaker at many of these meetings.

Other ministers of the gospel who labored with the Shiloh congregation were: Brother Cauble, Anderson Ward, Alex Engle, Benjamin Sherman, J. C. Stone, John Boles, Thomas Wolfe, Henry C. Shaw, Brother Pitman, E. C. Richardson, Brother Quillen, J. B. Brown, Brother McBride, Brother McKenny, William Dugger, E. B. Stivers, Joseph Miller, Frank Stivers and Dave Squires.

Some of the families represented in the Shiloh Assembly were: the Drivers, Shepherds, Walters, Bookers, Robertsons, Pirtles, Stewards, Claytons, Holders, Bedwells, Millers, Figgs, Storys, Edds, Woodwards, Sligars, Isbells, Lunds, Herndons, Overtons, Bennetts, Craggs, Shipmans, Alumbaughs, Rooksberrys, Allsmans, Willises, Souths, Moores, Chambers, Gadburrys, Pooles, Harrises, Wellingtons, Burdges, Lasseb, Crosses and others.

The Shiloh congregation has been noted for their beautiful and expert singing. A few of the song leaders and singing teachers were Carroll and Jacob Booker, John K. Pirtle, Aaron Holder, William F. and James Pirtle. Others who taught singing at different times were: Brother Edwards. Brother Franning, Elias Brewer, Stanford Chambers and William Brewer.

Some of the beautiful old songs sung at Shiloh were: Jesus, Savior, Pilot Me, I Have Heard of that Land, The Home of the Blessed, When Jesus Comes to Reward, Blessed Assurance, In the Morning of Joy, Gathering Home, How Firm a Foundation, My Faith Looks Up to Thee, and many others.

In 1893, the Shiloh congregation sponsored a series of gospel meetings at the Shield School house, two and a quarter miles west of Linton, Indiana, with E. G. Denny preaching. Many people yielded to the will of the Saviour and were baptized. The fruits of this meeting ripened later when Brother Stanford Chambers was instrumental in establishing the congregations of Atlas, Ellis, and Linton.

As is true with all things earthly, age and the elements took their toll. The Shiloh brick building after being struck by lightning and having its west wall damaged by a wind storm began to deteriorate and show signs of weakness. On August 31, 1921, at a called business meeting of the several members of the congregation, the decision was made to replace the old brick meeting house with a new frame building.

Ernest Edds was raised by his grandmother, Olie Edds. She in turn was raised by her grandmother, Ruth Ellen Shipman Pirtle Woodward Turner. Ernest has some old papers from the Eli Woodward home. George W Pirtle was Ruthe Ellen Shipman's first husband and Gra nd-father of Olie Miller Edds. Mary Alice Pirtle Miller and her husband both died young and Olie grew up in the Woodward home along with Ella Woodward Poole Anderson and the many other children of this second marriage for both Eli and Ruth. Among the papers is this certification of the fact that George W Pirtle was qualified minister. In the 1860 census he is listed as a minister.
